Continuation Sheet. W File No. / Current No. 193 of 42-3. Page.

Sl.1. From The ARP Office Bangalore City
ARP 506/42-43 dated 10th Dec. 42 requesting
sanction to an expenditure of Rs 37000/-
for the supply of uniforms to the personnel in
the City.

The estimate is on the following basis.

2 Sets of uniforms at Rs 6/- each for 3000 volunteers	—	Rs 36000/-
50 Sets for Leg First Aiders.	Rs	500/-
Officers Uniform and Badges	Rs	500/-
		Rs 37000/-

It is rather doubtful whether all the 3000 persons
are attending the practice regularly. The question
of supplying uniforms to the Mysore city and elsewhere
may also arise. It is stated that uniforms,
as suggested, have been supplied to the C.P. Mysore
personnel. The Civil Defence Dept D.O
referred to in the letter has not been
sent for the information asked
for passed and orders.

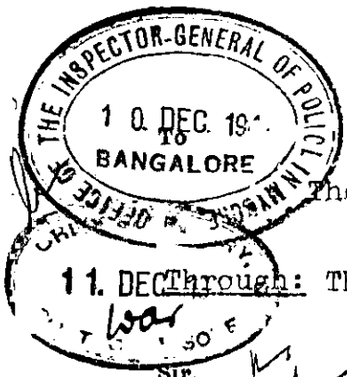
OFFICE OF

the A.R.P. Officer,
Bangalore City.

No. A.R.P. 505 /42-43.
Encls.

Date 10th December 1942.



To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore, BANGALORE.

11. DEC Through: The Inspector General of Police in Mysore, Bangalore.

Sir,

I have the honour to state that the supply of uniforms to the A.R.P. personnel has been a subject very frequently pressed by all the Wardens in the City. At present the Wardens are appearing during practices in all sorts of dress and many a time, the Wardens are not easily distinguishable from the general public. Further, the Wardens engaged in Stirrup Pump fire parties get their dress soiled, and damaged also at times, as they have to lie down on the ground and move forward in that position to attack the fire. There can be no doubt that the A.R.P. personnel will look smart and exercise authority better with a uniform as they can be easily identified from the general public.

In Rule 9 of the A.R.P. Services Rules of 1941, provision has been made for the supply of uniforms to the members of service, as the Controller may prescribe

Not received From the D.O. addressed by the Secretary, Civil Defence Department, Government of India, to the Several State Governments, it will be seen that the A.R.P. personnel in the several provinces in India have been provided with uniforms, though slightly varying in type from Province to Province and Government of India have called for the design of uniform proposed to be given by the Mysore State.

In the Civil & Military Station, each of the A.R.P. personnel has been supplied with two sets of uniforms stiched in grey mazri cloth. They are found to be quite satisfactory, serviceable and

and economical. The same system may be followed in the City also. Khaki being prohibitively costly and not available and the use of it according to the instructions from Government of India, has to be discouraged for non-Military service, has to be dropped out altogether for use here. Hence, it is proposed to have the types of uniform as detailed below for the different A.R.P. personnel in the City:-

1) Wardens, First-aiders and Messengers.	....	Military pattern shirt and long trousers in Mazri cloth.
2) Rescue Service.	....	Military pattern Mazri shirt and blue drill trousers.
3) Lady First-aiders.	....	White sadies.

The distinguishing marks of ordinary Wardens, Group Wardens, Divisional Wardens etc., can be shown by Yellow bands as has been done in Civil & Military Station.

On an average about 7 yards of cloth will be required for each uniforms and the cloth alone for one uniform costs about Rs.4/- . Assuming the cost of stitching at Rs.2/- per suit, the cost of each uniform comes to Rs.6/-. ~~The~~ For two sets the cost amounts to Rs.12/-.

There are 3,000 Wardens and the cost of providing them with two sets of uniforms aggregates to Rs.36,000/-. In addition the sadies for about 50 Lady First-aiders comes to Rs.500/-. The extra cost for the Officers' Uniform and badges etc., may come to about Rs.500/—. Altogether the cost of providing uniforms to all the A.R.P. personnel in the City amounts to Rs.37,000/-.

The money spent on this item will be well spent as it will develope espirit-de-corps and create in them the feeling of belonging to a Central organisation itended for

for public safety and service.

The Central A.R.P. Advisory Committee in its meeting held on 17-7-42 have resolved that all the A.R.P. personnel in the City may be put in uniform. Under the circumstances, I request that sanction may kindly be accorded early for incurring this expenditure of Rs.37,000/- on the supply of uniforms to the A.R.P. personnel in the City as has been done in the Civil and Military Station.
